

Vacancy Alert

Volunteer Vacancies: ARCHITECTS

- Architects to join our London design team working on our exciting projects in West Africa.
- Conservation and education based projects in Sierra Leone.
- Exciting brief working within strong environmental, social and design agendas.
- Developing sustainable settlements using local materials, knowledge of vernacular design and climate responsive design.
- Particularly exciting and challenging cultural environment.
- Engagement with the challenges of the Sierra Leonian environment and culture.
- Detailed implementation planning and construction of a Prototype Child Friendly school.

REQUIREMENTS

- Significant experience in **Job Running**, leading a small design team.
- Strong **Design Skills** and demonstrated experience.
- Experience in **Masterplanning**.
- Qualified Architects with 5+ years professional experience
- Excellent communication and personal skills.

INFORMATION

- Start date: July/August 2009.
- Duration: 3 months, 6 month, 12 month durations available, with possible extension.
- Terms: These are voluntary, full time positions in the London office.
- DEADLINE: 16 August 2009

Projects

- A conservation based project in eastern Sierra Leone's forested region. Masterplanning a sustainable settlement comprising workplaces, residential accommodation, education and health facilities.
- A Prototype Child Friendly School, exploring the potential for architectural design to improve the life chances of children in one of the world's poorest countries.

Programme

- Design work from beginning August 2009.
- Construction to start October 2009.
- Future phases to expand both programmes.

Contact

- Submit a CV, covering letter and examples of relevant work to Stephanie Johnston at Article 25.
